Dear Camper,

Summit Leadership Camp at Idyllwild Pines Christian Camps is coming this June! It will be a great time of fun and fellowship for your T&T clubbers.

The six-day camp at Idyllwild Pines Christian Camp provides an opportunity for young AWANA students to experience intense spiritual growth, exciting fun, great food, fabulous friends, dedicated counselors, and adventures! Campers will be memorizing verses from God's Word, be involved in daily Bible lessons, take part in evening devotions with their cabin mates, and compete with their team in some crazy activities!

Summit Leadership Camp T&T is for Awana clubbers who will be entering 4th through 6th grades in the Fall and have completed their AWANA handbook for the current club year.

IMPORTANT INFORMATION FOR CAMPERS WITH ALLERGIES OR ASTHMA AT SLC T&T

- 1) The RN's recommend that campers who use an inhaler carry it with them on their person. The camp nurse will have them put their initials on it in case it gets lost. **Campers must check the inhaler in at check in and they will then be allowed to keep it with them.** If they use it more than normal or if they are having any breathing difficulties, they must let the nurse know.
- 2) There is no ER or Urgent Care in Idyllwild. We will either transport a camper to Hemet Hospital, if it becomes necessary, or call 911 in the case of an emergency.
- 3) We will not have access to an EpiPen unless your child provides it. **Campers must check their EpiPen in when first arriving. They will then be allowed to carry the EpiPen with them. It is very important that they tell us that they have an EpiPen so the nurses are aware of the camper's severe allergy. The EpiPen must have a pharmacy label.**
- 4) Campers with asthma and allergies need to be self-managers and have the ability to know when they need their medication or when they need to change their activity level to avoid difficulties with their allergies or asthma. The nurses will be more than happy to assist.
