

Dear quizzers, coaches, parents, and anyone else involved in this year's Bible Quiz,

I am so glad you are considering Bible Quiz, this very event has had such an impact on my life personally. To this day I still have many of the verses memorized, especially the verses that was hardest for me to get word perfect, and even more so the verses I got wrong. I still randomly text inside jokes to my previous quiz teams, many of my closest friends I met at Summit Events such as Bible Quiz and talk to them weekly. I can go on and on about my love for Bible Quiz as well as Games and Camp. Memorizing God word is one of the very best things we can do, so I encourage you to take it seriously and have all the fun I had and to make all the memories like I had made. (This goes for coaches and parents as well!)
